### **DNA KIT - INSTRUCTIONS**

There are **three (3) Forms** to fill in.

- **Application for DNA Typing** - Is similar to a Registration Form (two sides). Complete all except for where it says Veterinarian... this is filled in by the Vet).
- **DNA Collection Sheet** - The Vet takes the hair from the mane and places it onto this form - using tape to keep it in place. Then this DNA Collection Sheet is folded and placed in an envelope.
- **Hair sample for DNA Typing form** - This form is folded or cut and taped on the front of the envelope which you have just put the **DNA Collection Sheet** into.

All three forms are then put into another envelope and **sent to the Secretary.**

- The Secretary posts the **Application for DNA Typing Form** to the Registrations Officer for the WPCS of NZ records.
- The Secretary posts the **DNA Collection Sheet** which is in the **Hair Sample for DNA Typing of envelope** to Massey University for DNA Typing.

#### **Cost**

- The DNA Fee is Member Fee \$70.00 per animal - non-member \$90.00 per animal which is paid to the WPCS of NZ.
