| RATIONALE | |
| <i>Outline the reason for the remit – eg “the current rules states 3 days. Our proposal states 2. The proposal reduces the waiting period by 1 day. Also note any circumstances or events which may have prompted this remit.</i> | <p>This remit proposal tidies up the wording of the rule. The exclusion of foals used to be in the wording, but somehow has got lost.</p> <p>It is not practical nor reasonable to require a foal up to 6 months of age to have a RAS Height Certificate.</p> |
| CONTRA | |
| <i>Outline what might be the downside or negative.</i> | None |
