RATIONALE	
<p><i>Outline the reason for the remit – eg “the current rules states 3 days. Our proposal states 2. The proposal reduces the waiting period by 1 day. Also note any circumstances or events which may have prompted this remit.</i></p>	<p>The way the rules are written at the moment, some shows can have 6-7 classes that are eligible for the championship judging, many of them restricted classes (eg Lady's Hunter and Gentleman's Hunter), each class could have a different winner, so 6 or 7 different horses may be brought in for judging of champion, some of which have not had the opportunity to compete against some of the other horses. This is making it hard for judges to pick a clear Champion</p> <p>By having an Open Hunter Class at the shows where all horses compete against each other, a clear winner and therefore champion can be found, all on a level playing field.</p> <p>Judging of classes and of the Champion & Reserve Champion will become far more straightforward</p> <p>Shows that want to run extra hunter jumping classes are still able to do that, but they won't count towards the judging of Champion and Reserve</p>
CONTRA	
<p><i>Outline what might be the downside or negative.</i></p>	<p>None</p>
